

Department of Agadtantra

Yearly ATP (Batch 2022-23)

Sr. No.	Month	Topic	LH/NLH/Practical	Name of Faculty
	September (20)			
1		Introduction and scope of Agadtantra	LH	Dr. Sukhada Gawde
2		Difference between Visha, Madya & Oja guna	LH	Assistant professor
3		Routes of administration of poison	NLH	Associate professor
4		Morphology of gastric lavage tube and its function	Practical	Assistant professor
5		Classification of Visha and Visha adhishtan	LH	Dr. Sukhada Gawde
6		Gastric lavage procedure	Practical	Assistant professor
7		Powerpoint presentation on diagnosis of poisoning in living & dead	NLH	Associate professor
8		Routes of administration of poison	LH	Dr. Sukhada Gawde
9		Emergency treatment for poisoning	Practical	Assistant professor
10		Action of poison & factors modifying action of poison	LH	Assistant professor
11		Cardiopulmonary resuscitation	Practical	Associate professor
12		Video demonstration of Emergency treatment	Practical	Assistant professor
13		Vishavega and Visha sankat	LH	Assistant professor
14		Visit to Emergency care unit	Practical	Associate professor
15		Sthavar visha lakshan & chikitsa	LH	Dr. Sukhada Gawde
16		Vishakta Aahar Pariksha	Practical	Assistant professor
17		Vishakta Aahar Pariksha	Practical	Assistant professor
18		Shlok recitation on chaturvinshati upakram	NLH	Associate professor
19		Visha peeta & Vishamukta lakshan	LH	Assistant professor
20		Adulteration in milk & tests	Practical	Associate professor

21		Demonstration of Gastric lavage procedure	NLH	Associate professor
22		Adulteration in turmeric & pulses, veg & tets	Practical	Assistant professor
	Oct(21)			
1		Adulteration in oil & tests	Practical	Associate professor
2		Diagnosis of poisoning in living and dead	LH	Assistant professor
3		Adulteration in honey and tests	Practical	Assistant professor
4		Chaturvinshati upakram	LH	Dr. Sukhada Gawde
5		Drug induced toxicity	Practical	Assistant professor
6		General principles of management of poisoning	LH	Assistant professor
7		Group discussion on duties of medical officer in case of suspected poisoning	NLH	Associate professor
8		Drug interaction	Practical	Associate professor
9		General principles of management of poisoning	LH	Assistant professor
10		Diseases caused due to Dooshivisha and Garavisha	Practical	Associate professor
11		Recent updates of occupational Hazards	Practical	Assistant professor
12		Duties of medical officer in case of suspected poisoning	LH	Dr. Sukhada Gawde
13		Allergic manifestations	Practical	Assistant professor
	November(22)			
1		Poster presentation on recent updates in garavisha	NLH	Assistant professor
2		Allergic manifestations	Practical	Associate professor
3		Sources of exposure of Visha with contemporary relevance	LH	Dr. Sukhada Gawde
4		Autoimmune diseases	Practical	Associate professor
5		Viruddha Aahar	LH	Dr. Sukhada Gawde
6		Autoimmune diseases	Practical	Assistant professor
7		Food poisoning and Aam visha	LH	Associate professor
8		Group discussion on Vishakta Aahar pariksha	NLH	Associate professor
9		Allergic manifestations	Practical	Associate professor

10		Gara visha	LH	Assistant professor
11		Endocrine disruptors	Practical	Associate professor
12		Dooshivisha	LH	Dr. Sukhada Gawde
13		Case study on Dooshivisha – 1	Practical	Assistant professor
14		Dooshivisha	LH	Assistant professor
15		Case study on Dooshivisha – 2	Practical	Assistant professor
16		Case study on Dooshivisha – 3	Practical	Assistant professor
17		Powerpoint presentation on recent updates in garavisha	NLH	Associate professor
18		Contemporary aspects of Garavisha and Dooshivisha	LH	Assistant professor
19		Case study on Dooshivisha – 4	Practical	Associate professor
20		Role of Garavisha and Dooshivisha in manifestation of diseases	LH	Dr. Sukhada Gawde
21		Case study on Dooshivisha – 5	Practical	Assistant professor
22		Role of Garavisha and Dooshivisha in manifestation of diseases	LH	Associate professor
23		Case study on Dooshivisha – 6	Practical	Assistant professor
	December(22)			
1		Research updates in garavisha and dooshivisha	LH	Assistant professor
2		Case study on Dooshivisha – 7	Practical	Associate professor
3		Discussion on dermatological conditions caused due to garavisha and dooshivisha	NLH	Associate professor
4		Visha upadrava and drug induced toxicity	LH	Dr. Sukhada Gawde
5		Case study on Dooshivisha – 8	Practical	Associate professor
6		Case study on Dooshivisha – 9	Practical	Assistant professor
7		Skit on occupational hazards	NLH	Associate professor

8		Case study on Dooshivisha – 10	Practical	Assistant professor
9		Occupational Hazards	LH	Dr. Sukhada Gawde
10		Preparation of medicolegal reports	Practical	Associate professor
11		Allergic manifestations	LH	Assistant professor
12		Preparation of various medicolegal certificates	Practical	Associate professor
13		Exposure to medical record	Practical	Assistant professor
14		Endocrine disruptors	LH	Assistant professor
15		Shlok recitation and discussion on Visha upadravas	NLH	Associate professor
16		Discussion of storage, maintenance & disposal of medical records	Practical	Assistant professor
17		Forensic Medicine and Medical Jurisprudence	LH	Dr. Sukhada Gawde
18		Sex determination based on skeleton	Practical	Assistant professor
19		Presentation on duties and rights of medical practitioner	NLH	Associate professor
20		Medical Ethics Code of conduct	LH	Dr. Sukhada Gawde
21		Characteristics of male pelvis	Practical	Assistant professor
22		Skit on constitution and objectives	NLH	Associate professor
	Jan(20)			
1		Characteristics of female pelvis	Practical	Associate professor
2		Group activity on professional negligence	NLH	Associate professor
3		NCISM objectives and functions	LH	Dr. Sukhada Gawde
4		Duties and rights of registered medical practitioner	LH	Dr. Sukhada Gawde
5		Difference between male and female pelvis to determine sex	Practical	Assistant professor
6		Professional negligence	LH	Dr. Sukhada Gawde
7		Fingerprinting	Practical	Associate professor
8		Medical records	LH	Assistant professor

9		Discussion on consumer protection act	NLH	Associate professor
10		Maintanance of medical records	Practical	Assistant professor
11		Consumer Protection act	LH	Dr. Sukhada Gawde
12		Courts and their powers	LH	Assistant professor
13		Brain mapping and Narcoanalysis	Practical	Associate professor
14		Court procedures	LH	Dr. Sukhada Gawde
15		Types of Negligence	Practical	Associate professor
16		Court procedures	LH	Assistant professor
17		Types of Negligence	Practical	
18		Question answers on types of court and powers	NLH	Associate professor
19		Recent updates regarding negligence	Practical	Assistant professor
20		Conduct of a medical professional in a court of law	LH	Assistant professor
	Feb (19)			
1		Identification Data	LH	Dr. Sukhada Gawde
2		Characteristics of male pelvis	Practical	Assistant professor
3		Skit on conduct of medical professional in court of law	NLH	Associate professor
4		Medicolegal aspects of Race, Religion	LH	Associate professor
5		Characteristics of female pelvis	Practical	Assistant professor
6		Medicolegal aspects of age	LH	Dr. Sukhada Gawde
7		Sex determination based on skeleton	Practical	Assistant professor
8		Determination of Sex from bones	LH	Dr. Sukhada Gawde
9		Exposure to medical record	Practical	Assistant professor
10		Discussion of Inquest, Evidence and witness	NLH	Associate professor
11		Preparation of various medicolegal certificates	Practical	Associate professor
12		Dactylography	LH	Assistant professor
13		Maintanance of medical records	Practical	Assistant professor
14		Preparation of medicolegal reports	Practical	Assistant professor

15		Fingerprinting	LH	Dr. Sukhada Gawde
16		Endocrine disruptors	Practical	Associate professor
17		Presentation of procedure of recording evidence in a court of law	NLH	Associate professor
18		Endocrine disruptors	Practical	Assistant professor
19		DNA typing	LH	Assistant professor
	March (19)			
1		Poster presentation competition related to environment,	NLH	Associate professor
2		Environmental Toxicology	LH	Dr. Sukhada Gawde
3		Dermatological manifestations due to visha	Practical	Assistant professor
4		Contact dermatitis and its management.	LH	Dr. Sukhada Gawde
5		Dermatological manifestations due to paduka visha, abharana visha	Practical	Assistant professor
6		Rallies, skit, flash mob on World Environment Day	NLH	Associate professor
7		Dermatological manifestations due to bites and stings	Practical	Associate professor
8		Signs and symptoms and management of dermatological manifestations due to cosmetics, chemicals, occupational and other allergens.	LH	Assistant professor
9		Contact Dermatitis	Practical	Assistant professor
10		Case based teaching on dermatological manifestations due to visha – 1	Practical	Assistant professor
11		Exposure to Medical records department for maintainance	NLH	Associate professor
12		Case based teaching on dermatological manifestations due to visha –	Practical	Assistant professor

		2		
13		Dermatological manifestation due to dooshivisha and Garavisha	LH	Dr. Sukhada Gawde
14		Storage and disposal of medical record	NLH	Associate professor
15		Dermatological manifestation due to bites and stings	LH	Associate professor
16		Case based teaching on dermatological manifestations due to visha – 3	Practical	Assistant professor
17		Therapeutic utility of Agada yoga	LH	Assistant professor
18		Finding out errors in medical case records	NLH	Associate professor
19		Sarpa visha and its management	LH	Dr. Sukhada Gawde
	April (11)			
1		Case based teaching on dermatological manifestations due to visha – 4	Practical	Assistant professor
2		Vrischika visha and its management	LH	Dr. Sukhada Gawde
3		lecture on how to deal with adolescent psychiatric issue	NLH	Associate professor
4		Alarka visha and its contemporary relevance	LH	Assistant professor
5		Case based teaching on dermatological manifestations due to visha – 5	Practical	Associate professor
6		Loota, Mooshak, Keeta visha and its management	LH	Assistant professor
7		Vectorborn diseases	LH	Dr. Sukhada Gawde
8		Case based teaching on dermatological manifestations due to visha – 6	Practical	Assistant professor
9		Group discusion and case based learning by taking	NLH	Associate professor

		example of published case reports of chronic metal toxicity		
10		Definition and Types of Death	LH	Dr. Sukhada Gawde
11		Case based teaching on dermatological manifestations due to visha – 7	Practical	Associate professor
	May (20)			
1		Case based teaching on dermatological manifestations due to visha – 8	Practical	Assistant professor
2		Signs of death	LH	Dr. Sukhada Gawde
3		Group discussion and case based learning by taking example of published case reports of chronic metal toxicity	NLH	Associate professor
4		Case based teaching on dermatological manifestations due to visha – 9	Practical	Assistant professor
5		Signs of death	LH	Dr. Sukhada Gawde
6		Case based teaching on dermatological manifestations due to visha – 10	Practical	Associate professor
7		Time since death	LH	Assistant professor
8		Environmental toxicology	Practical	Assistant professor
9		Group discussion and case based learning by taking example of published case reports of chronic metal toxicity	NLH	Associate professor
10		Environmental toxicology	Practical	Assistant professor
11		Exhumation	LH	Dr. Sukhada Gawde
12		Environmental toxicology	Practical	Associate professor
14		The Transplantation of Human Organs and Tissues Act (THOTA)	LH	Dr. Sukhada Gawde

15		Social Awareness program – Rally	Practical	Assistant professor
16		Hanging	LH	Dr. Sukhada Gawde
17		Group discussion about awareness of cancer risk and prevention	NLH	Associate professor
18		Social Awareness program – street play	Practical	Assistant professor
19		Strangulation and suffocation	LH	Dr. Sukhada Gawde
20		Social Awareness program – skit	Practical	Associate professor
	June (21)			
1		Drowning	LH	Dr. Sukhada Gawde
2		Group discussion about awareness of cancer risk and prevention	NLH	Associate professor
3		Diagnosis and Management of snake bite cases through audio/video case presentations	Practical	Assistant professor
4		Basics of injury and types of Mechanical Injury	LH	Assistant professor
5		Diagnosis and management of vrishchika, loota and keeta damsha cases through audio/video case presentations	Practical	Associate professor
6		Role play about recording of evidence	NLH	Assistant professor
7		Abrasion & Laceration	LH	Dr. Sukhada Gawde
8		Sthavar Visha – Vatsanabh & Karaveer poisoning	Practical	Associate professor
9		Digitalis & Tobacco toxicity	Practical	Associate professor
10		Contusion and Incised wound	LH	Assistant professor
11		Role play about duties of a physician in the court of Law	NLH	Assistant professor
12		Kuchala & Ahiphena toxicity	Practical	Associate professor
13		Stab wound	LH	Dr. Sukhada Gawde
14		Group discussion on identification of poisonous and non poisonous snakes	NLH	Associate professor
15		Dhattura & Bhanga toxicity	Practical	Associate professor

16		Firearm injury	LH	Assistant professor
17		Jayapala & Bhallataka toxicity	Practical	Associate professor
18		Thermal injury	LH	Dr. Sukhada Gawde
19		Group discussion on identification of poisonous and non poisonous snakes	NLH	Associate professor
20		Dowry death	LH	Dr. Sukhada Gawde
21		Arka & Snuhi toxicity	Practical	Associate professor
	July (22)			
1		Gunja & Langali toxicity	Practical	Assistant professor
2		Madya and madatyaya	LH	Dr. Sukhada Gawde
3		Clinical diagnosis of snake bites	NLH	Associate professor
4		Alcoholism	LH	Assistant professor
5		Arsenic toxicity	Practical	Associate professor
6		Addiction - Alcohol, Bhang, Opioids, Tobacco and Digital addiction	LH	Dr. Sukhada Gawde
7		Drugs of abuse – LSD & MDMA	LH	Assistant professor
8		Mercury toxicity	Practical	Assistant professor
9		Clinical diagnosis of snake bites	NLH	Associate professor
10		Mercury toxicity	Practical	Assistant professor
11		Narcotic Drugs and Psychotropic Substances (NDPS) Act	LH	Associate professor
12		Toxic carcinogens	LH	Dr. Sukhada Gawde
13		Lead toxicity	Practical	Assistant professor
14		Toxicities due to chemo and radiotherapy and its Ayurvedic approach	LH	Assistant professor
15		Copper toxicity	Practical	Associate professor
16		Specimens (Photos) showcasing local and systemic signs and symptoms of poisonous snake bite shall be given to small group of students and asked to diagnose the case	NLH	Associate professor
17		Agada and visha dravya prayoga in the prevention and	LH	Dr. Sukhada Gawde

		management of cancer along with its research updates		
18		Nitric acid toxicity	Practical	Associate professor
19		Medico-legal aspects of pregnancy	LH	Assistant professor
20		Sulphuric acid toxicity	Practical	Associate professor
21		Specimens (Photos) showcasing local and systemic signs and symptoms of poisonous snake bite shall be given to small group of students and asked to diagnose the case	NLH	Associate professor
22		Hydrochloric acid toxicity	Practical	Assistant professor
	August (19)			
1		Medico-legal aspects of Delivery	LH	Assistant professor
2		Case reports or studies published in reputed journals	NLH	Associate professor
3		Oxalic acid, Carbolic acid, Formic acid toxicity	Practical	Assistant professor
4		Infanticide and battered baby syndrome.	LH	Dr. Sukhada Gawde
5		Potassium hydroxide and Sodium Hydroxide toxicity	Practical	Associate professor
6		Carbon monoxide, Carbon Dioxide toxicity	Practical	Assistant professor
7		Abortion and its types	LH	Dr. Sukhada Gawde
8		Quiz session can be conducted among the groups of students	NLH	Associate professor
9		Medical Termination of Pregnancy (MTP) Act	LH	Dr. Sukhada Gawde
10		Phosphorous, cyanide toxicity	Practical	Associate professor
11		Pre-Conception and Pre-Natal Diagnostic Techniques (PCPNDT) Act	LH	Assistant professor
12		Kerosene toxicity	Practical	Assistant professor
13		Group Discussion - Specimens (Photos) showcasing local and systemic signs and	NLH	Associate professor

		symptoms of Vrischika Visha (Scorpion Sting), Loota Visha (Spider Bite) and Keetavisha		
14		Artificial insemination	LH	Assistant professor
15		Agrochemical Poisoning	Practical	Associate professor
16		Surrogacy	LH	Dr. Sukhada Gawde
17		Agrochemical Poisoning	Practical	Assistant professor
18		Group Discussion - Specimens (Photos) showcasing local and systemic signs and symptoms of Vrischika Visha (Scorpion Sting), Loota Visha (Spider Bite) and Keetavisha	NLH	Associate professor
19		Infertility and its medicolegal aspects	LH	Dr. Sukhada Gawde
	September (18)			
1		Classification of sexual offences	LH	Assistant professor
2		Case reports or studies published in reputed journals.	NLH	Associate professor
3		Household poisons	Practical	Assistant professor
4		Rape and its medicolegal aspects	LH	Dr. Sukhada Gawde
5		Quiz session can be conducted among the groups of students	NLH	Associate professor
6		Assessment of accidental, suicidal, and homicidal injuries	Practical	Dr. Nilesh Salave
7		Examination in Rape	LH	Dr. Sukhada Gawde
8		Preparation of injury report	Practical	Associate professor
9		Unnatural Sexual offences	LH	Assistant professor
10		Unnatural Sexual offences	LH	Dr. Sukhada Gawde
11		Preparation of injury report	Practical	Assistant professor
12		Group Discussion - simulated cases showcasing various drug induced toxicities, occupational hazards	NLH	Associate professor
13		Sexual perversions	LH	Associate professor

14		Community Awareness programmes by students like rallies, street play etc	Practical	Assistant professor
15		Medico-legal aspects of sexual offences	LH	Dr. Sukhada Gawde
16		Protection of Women from Domestic Violence Act (PWDV Act) 2005	Practical	Assistant professor
17		Protection of Children from Sexual Offences (POCSO) Act	LH	Dr. Sukhada Gawde
18		Group Discussion - simulated cases showcasing allergic manifestations, autoimmune diseases	NLH	Associate professor
	Oct(15)			
1		The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act and Rules (PoSH Act) 2013.	Practical	Associate professor
2		Classification of Mental illness	LH	Assistant professor
3		Bites and stings	Practical	Assistant professor
4		Classification of Mental illness	LH	Dr. Sukhada Gawde
5		Group Discussion - simulated cases showcasing diseases due to endocrine disruptors	NLH	Associate professor
6		Substance abuse	Practical	Assistant professor
7		Common symptoms associated with psychiatric Disorders	LH	Dr. Sukhada Gawde
8		Lucid Interval	LH	Assistant professor
9		Regional visha chikitsa practices	Practical	Associate professor
10		Group Discussion - case reports/simulated cases showcasing various dermatological presentations of poison, bites and stings	NLH	Associate professor

11		Civil and criminal responsibilities of a mentally ill Person	LH	Dr. Sukhada Gawde
12		Regional medico-legal issues	Practical	Assistant professor
13		Mental Health Act (MHA)	LH	Dr. Sukhada Gawde
14		Group Discussion - case reports/simulated cases showcasing contact dermatitis	NLH	Associate professor
15		Regional medico-legal issues	Practical	Assistant professor
	Nov (20)			
1		Hierarchy and major divisions of forensic lab Services	LH	Dr. Sukhada Gawde
2		Rules of medicolegal autopsy	Practical	Assistant professor
3		Presentation of recorded cases or the Case reports or studies published in reputed journals.	NLH	Associate professor
4		Newer techniques and recent advances - polygraphy	LH	Dr. Sukhada Gawde
5		Postmortem Examination	Practical	Associate professor
6		Quiz session can be conducted among the groups of students	NLH	Associate professor
7		Narcoanalysis, DNA profiling	LH	Assistant professor
8		Forensic Science lab	Practical	Associate professor
9		Clinical Establishments Act	LH	Dr. Sukhada Gawde
10		Case study on dermatological conditions	NLH	Associate professor
11		Drugs and Cosmetics Act and Rules – Schedules related to poison	LH	Assistant professor
12		Forensic Science lab	Practical	Associate professor
13		Case study on dermatological conditions	NLH	Associate professor
14		State AYUSH registration board rules and regulations	LH	Dr. Sukhada Gawde
15		Case study based on postmortem examination	Practical	Assistant professor
16		Medicare Service Persons and	LH	Dr. Sukhada Gawde

		Medicare Service Institutions		
17		Case study based on postmortem examination	Practical	Assistant professor
18		Case study on food poisoning	NLH	Associate professor
19		Rights of Person with Disability Act, 2016	LH	Dr. Sukhada Gawde
20		Mechanical poison toxicity	Practical	Assistant professor
