

DEPARTMENT OF SANSKRIT SAMHITA SIDDHANT

B R Harne Ayurvedic Medical college, Karav, Vangani

INTRODUCTION

Ayurveda is an ancient science of Indigenous medicine, it is special in respect that it is not only a medical science but an Art of Living in Human being.”

This is the first and most important Department of Ayurveda, Also known as Basic principles. This department is concerned with basic principles of Ayurveda which are described in classical texts i.e. Ayurved Samhitas. Samhitas are in Sanskrit language which is a divine language, hence to understand the samhita in their true meanings Sanskrit is also taught by this department along with samhitas (classical texts) in detail.

ROLE OF SANSKRIT - SAMHITA - SIDDHANTA DEPARTMENT IN THE CURRICULUM

It is the only department which deals with all the batches simultaneously with following subjects -

- 1) Samhita Adhyayan -1
 - 2) Padartha Vijnanam
 - 3) Sanskrit Evan Ayurved Itihas 1 & 2
 - 4) Samhita Adhyayan -2
 - 5) Charaka Uttarardha
- Classification of the subjects are based upon the Samhitas. So Samhita plays a crucial role in the B. A. M. S. Curriculum.
 - Padartha Vigyan is a base of Ayurveda which deals with the various Maulik Siddhantas & Darshan e.g. Panchabhautik Siddhant. This subject provides moral & classical ground for the successfully practice of Ayurveda.
 - Knowledge of Sanskrit language, Ayurved Itihas and all Samhitas connects students to our great traditional Indian Medicine i.e. Ayurveda. They can also realize that it is presented in a scientific manner.
 - For any research in Ayurveda one must decode the Samhita, which is only possible through the thorough knowledge of Tantrayukti

VISION & MISSION

- To produce samhita based Physicians in the society.
- To Establish good Academicians and researchers as well.
- To connect all the Departments through Samhita based 'interdepartmental clinical discussions' at regular intervals.
- To run Samhita based OPD in the college hospital.
- To promote students for the application of various basic principles of Ayurved & Padartha Vijnanam in daily routine
- To encourage the students for 'Teeka Vachan' for better understanding & application of Samhitas.
